"Deliverable" Can Still Be Dangerous

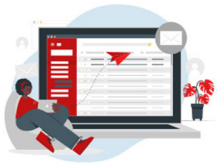

Protect your sender reputation and improve your deliverability by rapidly identifying active, hidden, and malicious email threats with Webbula's comprehensive Email Hygiene Service.

**DID YOU
KNOW**

*Bots, blocklisted emails, and disposable domains are all email threats that can **PASS** a simple verification check.*

	Email Verification	Email Hygiene
Invalid Emails	✓	✓
Valid Emails	✓	✓
Unknown Emails	✓	✓
Sender Reputation Threats	✗	✓
Email Fraud Threats	✗	✓
Delivery Threats	✗	✓
Conversion Threats	✗	✓

The Webbula advantage over standard, run-of-the-mill email verification

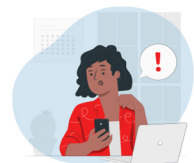

**Identify 40 + Active,
Hidden Threats**

**Safeguard your
Sender Reputation**

**Customize Results
Based on Risk Tolerance**

**Access to Epic
Customer Service**
